Please note: It is recommended to attend whole modules but you do not have to choose whole modules exclusively and can also just pick the courses you are interested in. We do not require a certain amount of ECTS-Points. The number of ECTS you choose depends on the requirements of YOUR Home-University.

If the Erasmus agreement of your Home-University with Freie Universität runs only for one department (e.g. Art History, Field 211) access to outer-departmental course programs cannot be guaranteed. In the case you want to get access to these courses check with the responsible professors/teachers of the other department when you arrive here.
