A course in SS 2023 and Fieldtrip (August 16-24, 2023)

The deadline for applications is March 31, 2023

The Institute for Korean Studies FU Berlin, Germany, is pleased to invite applicants for the 2023 Korean Studies Summer School held from August 16– 24, 2023 in Kwangju (Gwangju) and Seoul, South Korea. The Summer School will bring together students enrolled in BA and MA programs in Korean Studies at Free University Berlin/Germany and other European Universities.

The summer school is an academic program with field trips supported by the *KDI-School* and the *National Institute of Unification Education*. The objective of the Summer School is to provide students with expert-led, on-site training in Korean history, culture, politics, and North-South Korean relations, in cooperation with *History D – Asia Peace and History Institute* (Dr Lee Sincheol), Seoul. The program provides a great opportunity to expand knowledge of the diverse fields of Korean Studies.

The **main theme** of the 2023 program is **Encountering Korean history and culture in Kwangju and near area**. Kwangju and the region all around have played an outstanding role throughout the history of Korea; especially May-18th Uprising in Kwangju (1980) was a milestone on the way to democracy and human rights in South Korea. From the perspective of art and cultural heritage, Kwangju and the nearby area have abundant treasures: Gwangju has hosted a contemporary art biennale since 1995. Near Kwangju, there are several places of historical meaning, such as the anti-colonial struggle, significant cultural sites with ceramic art and other diverse handicrafts, Confucian and Buddhistic heritage, traces of writers and intellectuals, etc.

This program consists of two parts: the first part is a regular course during the Sommer Semester 2023 (Wednesday 16:00-18:00) focusing on the history and culture in Kwangju and near area. The second part refers to the field trip, which is composed of three sections:

1. August 16 – 18:	Workshop on national division and unification at National Institute of Unification Education; visit to DMZ or places of national division
2. August 18 – 19:	Temple Stay in Hwa'eom-sa, Experience of Korean Buddhism, the heritage of Buddhist culture
3. August 19 – 24:	Visits of historical and cultural sites in Kwangju and near area

Each participant receives:

- Subsidy for flight ticket: € 500
 - accommodation and meals free for the whole duration of the summer school
 - travel expenses and entrance fees (museum etc.) during the field trip in Korea
- (Participation fees for some cultural experiences should be paid by the participants: approximately € 30 in total.)
