

## Possible Combinations of Supervisors/ Primary and Secondary Evaluations

*(for examinations within the Department of History and Cultural Studies)*

University Position/Status*	Supervisor/ Primary Evaluation	Secondary Evaluation	Additional Information
Professor in the field (Freie Universität)	Yes	Yes	
Research associate (postdoc)	Under certain circumstances	Yes	(Candidate must submit a special request to the examination board, and the secondary evaluation must come from a professor in the field of study at FU)
Research associate (without a doctoral degree)	No	Yes	
External professor (from another department or university)	Under certain circumstances	Yes	(At least one of the evaluations must come from a professor in the field of study at FU)

\* Whatever position or status the person has, they must be officially authorized to conduct examinations at the university and provide appropriate documentation thereof. Please note: For joint degree programs between multiple institutions, professors from other partner institutions within the program count as being "from the department." Currently, the only two such programs are the MA in Global History (Humboldt-Universität zu Berlin) and the MA in Applied Landscape and Field Archeology (HTW Berlin).

**Yes** (green)
